

PARTICULAR SPECIFICATION

APPENDIX BI

TEMPORARY SIGNS FOR ROAD OPENING

This signage artwork is for illustration purpose – The Contractor shall note that the colour for text and line-type may change.

- Top row: Indicate purpose of sign e.g. road closure, relocation, realignment, road opening, diversion, junction reconfiguration, etc.
- New or diverted road/ new scheme: **Solid red** line with **black** text.
- Existing road to be closed or removed: **Dotted black** line with **red crosses** [number of red crosses is to be minimised (one is recommended); red cross to be used instead of the “No Entry” sign.]
- Existing route which is still in operation after implementing the change of the road scheme: **Solid black** line
- Countdown days: **Red** font & circled in **red**.
- Last row: To be covered up after a period of implementation of the new/diverted road scheme. The duration of implementation is to be assessed and discussed further.
